Processing an Employment Classification Change in the HR System (UHR-Only)

What you need before proceeding with action: An approval from Classification and Compensation (C&C) endorsing the position employment classification change.

**NOTE:** Any position conversion involving an EHRA (ENF - Non-Faculty) Empl_Class change will require an IRPS/IRIT category update that can **ONLY** be updated by the UHR Office. Contact your C&C and/or HRIM representative for assistance.

The approval email will provide instructions on the action and reason to use for entering the classification conversion/change with any other potential changes taking place, (i.e. IRPS category, job code, title, pay rate, etc...).
